

# e-Tenet Instruction Form

Attention FVRHMC Students:

Please follow the steps below to create your e-Tenet username and password.

#1. Go to [www.etenet.com](http://www.etenet.com) > register as a new user > enter your SS#, date of birth, and your **Unique ID** (*issued by FVRHMC via email*).

#2. Then you will need to complete all 6 steps to create your account.

**Warning:** Some Tenet applications, including .edu and Physician Portal, are either not optimized for or do not work on Firefox, Chrome, or Safari. If you need to access an application that does not support Firefox, Chrome, or Safari, [log in to eTenet Citrix environment](#) or use a supported version of Internet Explorer.
