Cal State Apply
Guide for Accelerated BSN Application

Visit Cal State Apply (https://www2.calstate.edu/apply). You will want to select “transfer” as shown below.

Even though you are an applicant with a bachelor’s degree already earned, you must select “transfer” for the Accelerated BSN program.
Select “Apply for Fall 2019.”
If you have created an account through Cal State Apply, you will then need to enter your username and password. Click “sign in”. If you do not have an account, click “Create an Account”.

If you created an account with CSU Mentor (previous application system for Cal State Fullerton), you will not be able to use the same username and password. You must create an account through Cal State Apply.

Once you create your account, you will be directed to “Complete your Profile”. Select “Undergraduate” in the Education section.

Please note that the Accelerated BSN program is an undergraduate program. Since you have a bachelor’s degree from a regionally accredited institution, you will still select “Undergraduate” as you are obtaining another bachelor’s degree.
