Password *

Faculty Guide: Registering for CCPS

4. After you register, email the Clinical Placement/Document Team at clinicalplacement@fullerton.edu

5. Please **attach a clear headshot photo of yourself** with a white background
- Head and shoulders only
 - This photo will be used for your Providence badge and security access

6. Next, wait for confirmation from the Clinical Placement Team that your account has been assigned to your clinical site before uploading any documents.

Please Note:

- After creating your account, you will see 30–40 listed requirements.
- **These are general CCPS requirements and do not need to be completed.**
- Providence facilities only require three facility-specific documents.
- If you instructed at a Providence facility for a previous rotation, your completed requirements will be carried over into the next semester.

7. Once you've been placed and notified, log into CPPS and select the **Incomplete** bucket.

- Upload all the facility required documents and health records.
- **The Clinical Placement Team will upload the School Attestation Form for you.**
- Periodically check back in to ensure every document has been approved and moved into the **Completed** bucket.
- You are not cleared until every requirement has been moved into the green bucket.

Upcoming Rotations

02/13/2026 to 03/28/2026
