

Faculty Health/Physical Exam

All clinical faculty must have an annual health/physical exam while participating in clinical practicum courses with the SON.

History and Physical Clearance

A report, signed by your health care provider (physician, physician’s assistant, or nurse practitioner), shall be provided to the nursing program. This report shall indicate that the faculty does not have any health condition(s) that would create a hazard to themselves, employees, or patients (Title 22). Contracts with the facilities require that we assure faculty and students are free of medical conditions (physical and/or mental) and/or contagious disease(s) that would pose a risk to others.
